Marking Will Fails Deputy Chief, CI Staff

DUEST.TT

: Operational Ure of Chemical Agents and Attachments (Braft)

The draft has been very carefully reviewed and is concurred in its entirety with the following two exceptions:

- (1) The fourth continue of mage 1 reads: "b parameter supervisory condition." It is recommended that this to changed to: "a persament advisory conmittec."
- (2) Fore maph h recommends the directive which states: "A temporary condition convexed of." It is made recommended that this to changed to: "an advisory ".le beserves contitues
